

Grand Knight's Message

Greetings Brother Knights,

First of all, I wish all Brother Knights and their Families a Blessed Merry Christmas and the hope for a Happy New Year. The year is coming along really good. We are recruiting new members and our reported hours of charity work are really adding up. I want to emphasize the need to report your charity hours to Bob Wilkinson each month, so that an accurate count can be made.

I, along with Jim Bissen, wish to thank everyone who helped with this year's Joseph C. Martin Clergy, Religious, and Senior Citizen Appreciation Thanksgiving Dinner. The help was great – especially, Rick Collins and his crew in the kitchen and all the other Knights and their family members who helped make this Dinner as good as it was. The Food was great and I want to thank all who donated Food or Funds for the Dinner. Thank you all.
