Subject: Thank you! [David]

Hi Bob,

First, I want to apologize for taking so long to write back to you. I hope you and your family are doing well and enjoying the Lenten Season! Thank you so much for the financial assistance but especially for everyone's continued prayers and support for me. I greatly appreciate it and thank you for being part of my journey because I wouldn't have the opportunity to be here without all of you. It's been quite a stressful semester for me because of all the classes that I am taking and other seminary requirements, it's a lot of work. The good news is that I'll be going home for spring break tomorrow and there are only about 3 weeks left of classes after the break before I begin my summer ministry, which I am very excited about. For my summer assignment this year, it's not official yet but I'll most likely be staying at Mary Queen of Peace parish in Sammamish. I'll also be helping with kids' camp at CYO during the weekday as well and then even more exciting, I'll be going to world youth day in August! It's going to be a great year.

Anyways, thank you to the Knights and I hope all are doing well and staying healthy. Have a blessed day! 😊
