Tootsie Roll Drives

Brother's

It is that time of year where the Knights of Columbus run the tootsie roll drives for Special Olympics. As you can see on the attached August calendar there are two different events and in September there will be three more events that will need your help. Sign-up slots will begin soon and you will be able to sign up at Council meeting in July or after masses beginning the 1st of August. Last year the Council had individuals or families working double shifts to cover the time slots. The Tootsie roll chairman is looking forward to your helping to make this year better than last year where the Council came in Third in the State in the amount of money collected for Special Olympics.
