Tootsie Roll Drives

Brother's

It is that time of year where the Knights of Columbus take part in tootsie roll drives for Special Olympics. As you can see on the attached September calendar there are two different locations that will need your help. You will be able to sign up at the Planning meeting in September. Last year the Council had individuals or families working double shifts to cover the time slots. The Tootsie roll chairman, Brother Louie Fraire, is looking forward to your helping to make this year better than last year where Council 6806 came in **Second** in the State in the amount of money given to Washington State Special Olympics.

How are we doing as a family, individual, Council or Assembly? May we recall Pope Francis' words when he visited the United States in 2015: "How essential the family has been to the building of this country! And how worthy it remains of our support and encouragement! I can only reiterate the importance and, above all, the richness and the beauty of family life." What do you think?
